Township.

This year's festival brings all the great events of the past, and new additions too, to bring you the best Applefest yet!

Don't forget to take a taste of Huron home with you. There is a bounty of fresh apple pies, cider and fresh picked apples.

You won't go home hungry. Our food vendors offer a wide variety of foods to satisfy everyone's taste buds.

If it's crafts you're looking for, we have the best there is to offer. Woodcrafts, dried flowers, ceramics — we have them all.

Stop by the Hospitality Booth and chat with a friend. While there, pick up a Schedule of Events at the Applefest Building. There is something for everyone. You won't want to miss the Pony Pulls, Fiddlers Contest, Applefest Parade, Dancers, Bands and much more.

The children will love the

Children's Events and the Kiddie Rides. Teenagers, don't miss the assorted rides set up just for you!

In closing, I would like to thank the entire Applefest Committee for their tireless efforts to bring to you, the best Applefest ever.

I also want to thank you for coming to Applefest. I hope you have a wonderful weekend!

New Athletic Facility Unveiled

(L-R) Richard Zavodsky, Colleen LaZeer, Donna Mendryso, Calvin Schalk, Jane Long, Alice Ferguson.

On Friday, September 18th, the school district had their ribbon cutting ceremony to unveil the remodeled athletic facility.

School board members, administrators and staff members were on hand to welcome guests to the dedication. A large crowd estimated at around 150 attended. All were impressed with the improvements particularly the remodeled grandstand.

The Huron River Weekly toured the grandstand and while additional work needs to be done, the building was clearly impressive. We particularly liked the press box and the view that it afforded of the field.

The main entrance to the facility was draped with red ribbon and just prior to the home game the school board, using their scissors in unison, officially opened the facility to the public.

AL FRESCO

This week I have selected pork chops. Not the dried fried chops that you're used to, these are juicy and tender.

I choose to use the butterfly tenderloin chop instead of the thin fatty bone-in chop. The tenderloin is a bit pricey, but it's all meat. With the bone-in chops you are paying for the bone and the fat, so basically for the amount of meat, it works out about the same.

The new food fad for the end of the decade is Polynesian or Island cuisine so pork will fit in quite nicely.

You can dress up this dish with a few Island fruits and vegetables or even dried fruit. Add them during the last 10-15 minutes of cooking time (except onion).

Some of the best fruit to add are pineapple, apples, figs, prunes, pears, peaches, col-

ored peppers, onions, dried apricots, dried cherries, dried raisins, dried currants or dried cranberries.

Trim and pare the fruits and vegetables.

Georgette Heron-Willoughby

Special Pork Chops

4 1" Butterfly Pork Chops	1/2 Cup Water
2 Tbs. Butter or Margarine	4-6 Shakes Louisiana Hot Sauce
3 Tbs. Olive Oil	Salt & Freshly Ground Pepper
1/2 Cup Worcestershire	

Salt and pepper both sides of the chops. In a skillet, heat olive oil and butter, brown the chops on medium-high heat.

Pour in the worcestershire, water and hot sauce. Simmer 45 minutes covered. Stir occasionally.

Add optional vegetables or fruits. Onion should be added before simmering and everything else should be added after 30 minutes of simmering.

Fire Prevention Week

As a continuing commitment to our community, the Huron Township Fire Department will once again present a series of educational programs during Fire Prevention Week. The theme for the 1998 Fire Prevention Week is "Fire Drills: The Great Escape!", and events will be scheduled during October 4th through 10th.

"Fire Drills: The Great Escape" is designed to move the public to action by encouraging them not only to develop a home escape plan, but actually to practice it. On October 7th, 1998 at 6 p.m., families throughout the United States and Canada are invited to participate in a unified fire drill, where everyone will be encouraged to exit their homes at the same time upon hearing the local fire station sound its sirens.

In addition to North American Fire Drill, the National Fire Protection Association is sponsoring a contest for families who develop a home escape plan and practice it, then submit their plans to the Huron Township Fire Department. After all plans are submitted, the local department will select and authorize one entry form from those submitted to be forwarded to the national contest. A grand prize winner will be

chosen from random from a drawing at NFPA headquarters and announced at its 1998 Fall Meeting in Atlanta Georgia. The winner will receive a trip for four to Walt Disney World in Orlando, Florida.

On the local level, in addition to the Fire Drill and contest, our department will provide educational programs at each elementary school during

fire prevention week beginning Monday October 5, 1998. It is our goal to educate every child in grades Kindergarten through fifth grade during this week.

For more information concerning Fire Prevention week activities and safety programs, contact Chief David Russow or Lieutenant Scott Adkins at 734-753-4411.

Chrysler Breaks Ground For New Business In Township

AUBURN HILLS, MI — Chrysler Corporation's Mopar Parts Division broke ground, Tuesday, September 1, 1998, for a new 378,550 square foot Parts Distribution Center in Huron Township.

The new Detroit Parts Distribution Center (PDC) will

continue to employ 131 warehouse workers and 17 management and office staff personnel once it is in full operation in August 1999. The PDC will service 310 dealerships in Michigan, Western Ohio and Northern Kentucky.

"Our goal is to improve our

service by reducing the processing time involved in getting a dealer a part," said Norm M. Hamway, Field Distribution Operations Manager. "Our service to the dealership directly impacts the service to the final customer — the vehicle owner."

The new facility will be 100,000 square feet larger than the current location in Warren, Michigan. "The increase in space at the Huron Township facility will relieve current operational congestion, provide additional docks and processing areas and improve overall efficiency," said Hamway.

Emu In September

On Sunday, September 20th, Grass Roots Nursery and Apple Charlie's Orchard sponsored an Emu Dinner at the orchard.

The Huron Township Chamber of Commerce provided the organization for this highly touted and awaited event. From 1-5 p.m. on Sunday, the chamber "dished" out cooked Emu and "sides" for \$8 or less.

Of course, The Huron River Weekly had to attend and try

out Emu. Actually, it wasn't bad. It didn't have a wild game taste and smothered with onions and green peppers, it was quite tasty.

Grass Roots and Apple Charlie's both found themselves with grown Emus after taking on the task of each raising one. Apparently they both decided it was time to share the experience with the community so they decided to make a fundraiser out of the experience. The Emu eating

crowds mixed well with Apple Charlie's regular customers

and all were entertained by Joe Prater and his country band.

Chamber Crew - What Magnificent Chefs!

Township Growing At A Steady Pace

At the September 23rd Township Board meeting, Building Department head John Chihan predicted continued township growth.

In response to a question posed by Trustee Adkins, Mr. Chihan advised that he anticipated the same growth in 1998 as we experienced in 1997 and expected next year to be about the same. This means he projects 80 to 100 new homes to be built next year.

He indicated that much of the new development in the last two years came from Country Meadows and Swan Creek the manufactured homes located on small lots. He advised that most of that kind of development was just about completed but several new projects were in various stages of development. These new developments should keep the same growth rate as we have experienced in the

last two years.

Trustee Adkins seems to be looking for a population growth projection in preparation for the year 2000 census. In response to this, Mr. Chihan estimated three people per house. This translated to 240 to 300 new residents per year due to new building in the township.

However, this does not necessarily mean that our population will automatically increase because there are other factors that effect our population. But, it does seem to suggest slow steady growth.

In other business, the police chief advised that board of the re-opening of northbound I-275 and this should ease the traffic down Waltz Road through New Boston. He also said his department wrote a lot of traffic tickets during the shut down period and reminded the board that his depart-

ment is the largest ticket writer in the 34th district.

Finally, Treasurer Adkins introduced the week of October 4-10th as Fire Prevention Week. He indicated October 7th would be designated as the "Great Escape."

Sirens will sound the beginning of the community wide fire drill. The alert will occur at 6 p.m. and the citizens are urged to exit their home as part of the fire drill.
